OFFICE OF PETITIONS

In re Application of
Thomas Tiedeann et al
Application No. 10/049,690
Filed: June 18, 2002
Attorney Doc. No. 825-161

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed June 10, 2004, to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to reply in a timely manner the non-final Office action mailed August 27, 2003, which set a shortened statutory period for reply of three (3) months. No extensions of time under the provision of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned on November 28, 2003.

37 CFR 1.137(b)(3) requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137 was unintentional. If the statement contained in the instant petition varies from the language required by 37 CFR 1.137(b)(3), the statement contained in the instant petition is being construed as the statement required by 37 CFR 1.137(b)(3) and petitioner must notify the Office if this is not a correct interpretation of the statement contained in the instant petition.

An extension of time under 37 CFR 1.136 must be filed prior to the expiration of the maximum extendable period for reply. See In re Application of S., 8 USPQ2d 1630, 1631 (Comm'r Pats. 1988). Accordingly, since the \$2,010.00 extension of time submitted with the petition on June 10, 2004 was subsequent to the maximum extendable period for reply, petitioner may request a refund of this fee by writing to: Mail Stop 16, Director of the United States Patent and Trademark Office, P.O. Box 1450, Alexandria, VA 22313-1450. A copy of this decision should accompany petitioner's request.
